

Re. Docket No. 98P-0151 ~~KPI~~

I am urging adoption of the measure to prohibit the slaughter of downed animals. These are sick or injured animals and it is unhealthy to eat them. It is ~~gr7542 extreemely~~ ^{extremely} ~~1/26 ipf~~ ^{1/26 ipf} humane to drag them to slaughter. With proper care, there should be no downed animals in the first place and this will encourage more humane and healthy treatment.
